

The Nation Today

BY JAMES MARLOW

WASHINGTON, May 18—Here's an ABC on Palestine and the Jewish-Arab war.

Palestine, the size of Vermont, is a strip of land with the Mediterranean on one side, a great desert on the other. It's been bloody ground.

It was a land-bridge between Egypt on the south and the great ancient kingdoms, like Babylonia, which sprang up and died north and northeast of it.

Camel trains and armies, heading north or south, barged through the north or south, barged through it as a highway or a battlefield.

For tens of thousands of years men have moved in, settled down, been crushed or ousted by others behind them.

About 1,200 B. C. the Jews, a Semitic tribe, strode in from the desert. They overran another Semitic tribe, the Canaanites, who were before them.

People, like Jews and Arabs, are called Semites only because they speak closely related languages. Semites. They are not a special race.

Race experts call them "Mediterranean people," because of their dark hair and eyes, to distinguish them, say, from Europe's blond Nordics.

By 1,000 B. C. the Jews were able to set up their first kingdom in Palestine under Saul. Came golden days, crushing defeats. The Romans wiped out their state in 57 B. C.

THEN THE JEWS, once desert wanderers, became world-wanderers, persecuted, discriminated against, homeless, but the remembrance of their home in the desert.

Once the Jews, like other desert peoples, had worshipped idols. When they moved into Palestine in 1,200 B. C. they had developed a belief in one god, Yahweh. They still worship one god.

The Arabs, made up of many desert tribes, did a lot of idol worshipping as late as 600 A. D. About that time, or 1,800 years after the Jews had found one god, Mohammed, an Arab, converted his fellow-Arabs into a belief in one god also, Allah.

The great gulf between Jews and Arabs is religious, not racial. In 1897, sick of being persecuted strangers in the world, Jews formed the Zionist organization to get back their homeland, Zion means Jerusalem. The Zionists have been campaigning ever since.

There have always been some Jews in Palestine but the Arabs there, and in all the countries around it, far outnumbered them.

At the time of the first world war the Turks, Mohammedan believers in Allah, had Palestine. The British whipped the Turks in 1917.

In 1923 the League of Nations gave Palestine to Britain as a mandate. Which means: Britain was to run it until the people living there found some way of running it themselves.

The British let some Jews flow into Palestine. The Arabs protested bloodily. Since 1923 a dozen world commissions have been set up to study the problem of letting the Jews have a nation or government, side by side with the Arabs, in Palestine. No solution was found.

Then last year Britain told the United Nations she'd give up her mandate and take her troops out of Palestine by May 15, 1948. Britain for a quarter of a century had troops there to keep peace.

ON NOV. 29, 1947—with the backing of the United States and Russia—U. N. voted to partition Palestine, split it in half between Arabs and Jews.

That started fierce fighting between Jews and Arabs. On March 19, 1948, the United States reversed its stand on partition and asked the U. N. to set up another mandate, called a trusteeship.

Warren Austin, chief American delegate to the U. N., said heavy fighting and chaos would result when Britain got out on May 15. Between March 19 and May 15 the fighting got worse.

On May 15 the British withdrew. The Jews immediately declared Palestine an independent Jewish state, called Israel (God Rules). But the U. N. still hadn't agreed on a trusteeship.

And on May 15 President Truman announced this country recognizes the new Jewish state. The fighting grew worse. The Arab world closed in on Palestine. This is the Arab world and the Jewish set-up in Palestine.

Seven Arab states—Saudi Arabia, Egypt, Iraq, Trans-Jordan, Syria, Lebanon, Yemen—formed an Arab league in March, 1945.

The total Arab population of those seven nations, including the Arabs in Palestine, is about 34,000,000.

The Jews in Palestine number about 600,000. The Jewish fighting force—called Haganah (defense)—totals about 85,000.

Only five of the seven Arab states are now moving against the Jews in Palestine. They are Egypt, Lebanon, Syria, Trans-Jordan, Iraq. Their total fighting force is only about 90,000.

(If Saudi Arabia and Yemen join the fight, they'll add only about 18,000 fighters.)

Right now Palestine is split into Jewish and Arab areas. The Jewish area: 5,500 square miles, the Arab area: 4,500 square miles.

One thing in favor of the Jews: There's jealousy among the Arab states. The U. N. is talking of finding a way to stop the fighting.

Take Your Choice, Neighbor!

The missus—who writes our Woman's Column in the Clarion under the name of "Nancy Gale"—gets letters about recipes, advice on etiquette, home management, etc.

One letter she got last week was about a recipe she published for Welsh Rarebit—made with tart cheese, Worcestershire, and a cup of sparkling tangy beer. "Turned out great," says her correspondent. "But you didn't mention what beverage to serve with it. Should I serve beer? Cider? Iced tea?"

The missus' answer was simply:

"Any beverage your guests prefer. You don't have to serve cider—any more than you have to serve beer... but it's often courteous to let guests have a choice."

From where I sit, that simple answer applies to more items than Welsh Rarebit. In a world where everyone has different tastes and ideas—we should recognize those differences—and never deny the right of choice to anyone!

Columbus Lady Loses 24 Lbs. and 8 Inches at Waistline

"I am 29 years of age," writes Mrs. G. R. Thomas, 331 E. Long St., Columbus, Ohio, "and before taking Renna Concentrate was entirely too fat for my age. I have lost 24 lbs. with this wonderful reducer and my waistline went from 34 to 26. Everyone that knew me when I was heavy can't get over how I look now. I feel that Renna has made a 100% improvement."

Hundreds of others have obtained similar relief from the social and physical discomfort of being overweight. Renna is the original grapefruit juice recipe for taking off ugly fat. It's simple. Just go to your druggist and ask for 4 ounces of liquid Renna. Pour the contents into a pint bottle—add enough grapefruit juice to fill the bottle. Then

take just two tablespoonsful a day. That's all there is to it. If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves—if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles; just return the empty bottle to the manufacturer for your money back. You need never know a hungry moment while taking Renna—no starvation diet—no printed diet list to buy—no vitamins to fortify you against weakness while going hungry, for you WON'T be hungry. Don't be switched to another product. Insist on and obtain genuine Renna.

MACKENZIE'S Column

BY DEWITT MACKENZIE
AP Foreign Affairs Analyst

THERE is much virtue in the old saying that one shouldn't look at the horse in the mouth but, like generalities, there are exceptions to the rule.

We are faced with an important question, or so it seems to me, in the case of Premier Stalin's announcement that Moscow is willing to accept Henry A. Wallace's recent letter to him as the basis for settlement of Russo-American differences.

There is more than a little doubt as to what sort of steed we are being offered.

The big question we have to answer, of course, is whether this is a peace offer or whether it is a move to bolster Russia's position and the Red revolution for the spread of Communism.

It is a mighty uncomfortable thing to have to challenge what purports to be a peace gesture. However, we are forced to it by Bolshevik aggression which has been going on increasingly, with the resulting enmeshment of numerous small nations and a threat to the rest of the world.

DOES MOSCOW suddenly halt its program of 30 years' standing and say: "We abandon our project. We are ready for Peace?" I think not. What then has Moscow in mind?

Well, one thing that political circles in this country were quick to see was that Premier Stalin, with his praise of Wallace, had intervened in the American presidential campaign. It remains to be seen what the effect would be.

Then diplomatic quarters are asking whether Moscow might be raising the peace issue in order to weaken the Marshall plan for European stabilization, and block support for American military aid to the nations of Western Europe. Suspicions further give rise to the thought that Russia would like a lull in the cold war to give her a chance to consolidate her gains and bolster her economic position, especially heavy industries which would be needed if she overtook her.

One of the points Marshal Stalin has been mentioned by Wallace for discussion was "evacuation of troops from China and Korea." Well, now, such an agreement almost certainly would have the effect of giving Russia possession of Korea which strategically is one of the most important bases in the Orient.

The northern half of Korea is occupied by Soviet troops, and the southern half by American forces. Russia has Sovietized the northern portion and has created a Korean army of some 200,000, while southern Korea is just setting up its own free government under protection of America. Many observers figure that withdrawal of both Russian and American troops would permit the northern Korean army to take over the southern half of the country and incorporate it in the Communist regime. No wonder Moscow wants withdrawal of American and Russian troops!

ONE OF the most bewildering features of Marshal Stalin's state-

ment in his assertion "the U.S.S.R. government considers that, despite the difference in the economic system and ideologies, the co-existence of these systems and a peaceful settlement of differences between the U.S.S.R. and the United States are not only possible but also doubtless necessary in the interests of general peace."

Of course general peace would be dependent on peace between Russia and America. However, the thought that the ideologies and economic systems of the two nations could be reconciled completely reverses everything that Communism stands for. The Bolsheviks long ago swore that capitalism must be wiped out. They have been working toward this end steadily right up to now,

and we have the right to ask whether they are making an about face.

The U. S. State department has termed the Stalin statement encouraging, but reiterated that there can be no direct Soviet-American negotiations on issues involving other nations. Specific issues may be handled through world agencies.

At the same time the department charged that Russia is responsible for failures to reach agreement in the United Nations and elsewhere on the issues which Stalin names.

Most certainly we should pray for peace and work for peace, but meantime beware the silly season.

Kirtland's warbler nests only in Michigan, and in just three counties of that state.

and we have the right to ask whether they are making an about face.

Service for a Song

Experts have it all figured out that one million sopranos, singing at the top of their lung power, can manage to generate enough electricity to light up a single 100-watt electric bulb.

Seems like a lot of wasted talent, when it's so much easier to flip a switch—and a lot cheaper! (As a matter of fact, a penny's worth of electricity can keep that bulb going for almost three hours!)

This is merely our way of reminding you that electric service—for lighting, or cooking, or cleaning, or sewing or laundry work—is just about the lowest item in your family budget. Fact is, the average American family is still getting twice as much electricity for its money as it got 20 years ago.

In an era of sky-high costs, that's service—for a song!

NEWSPAPER SAYS JESSE JAMES ALIVE

LAWTON, Okla., May 20—Jesse James, officially dead since 1882, still has life—if not in the flesh—at least in newspaper headlines.

The Lawton Constitution said yesterday it had "indisputable proof" the famous outlaw of the era following the civil war is still alive and is in Lawton.

The newspaper said it had affidavits signed by three persons who knew James in his outlaw days and said they believed the man in Lawton is the real Jesse James.

Mary J. James, 91, Houston, Toss Ingram, 72, Ringling, Okla., and Dan Burns, 68, Rush Springs, Okla., were listed as the identifiers.

In St. Joseph, the site of James' official death, the Oklahoma newspaper story was accepted with extreme doubt.

Missouri editors explain that "Jesse comes to life every once in a while."

Constitution reporter said the man believed to be James came to Lawton about four weeks ago from Centerville, Tex., where he was known as Frank Dalton.

Reporters said the man had been under treatment at a Dallas, Tex., hospital under the name of Frank Dalton and that pictures were made on his 100th birthday, Sept. 8, 1947.

Lindey Whitten, Constitution reporter, said the Constitution published a story about a hunt for the buried "Jesse James treasure" in the Wichita mountains.

Then Joe Hunter, a Lawton resident for several years, received a letter from the man concerning the treasure hunt. Hunter invited him to visit his old haunts in the Wichita mountains which was once a hideout for the James boys.

The newspaper story said: "Officially Jesse James was killed in 1882 by Bob Ford, a member of the gang, although it was not fully accepted."

"Actually, it was Charlie Bigelow who met his death at the hands of Ford."

"It was agreed among the outlaw gang that no one would reveal his identity until all were past the age of 100. Old Man Jesse is the only one who lived."

COAL LEADERS

(Continued from Page 1)

E. Moody, of the Southern association.

"The union's refusal (to bargain), said Moody, "endangers the present negotiations for a new contract."

Union and operator representatives to the wage conference deadlocked over the seating of Moody. Lewis promptly announced "there is no conference"—and led his miners out of the room.

His objection to Moody stems from the fact that the Southern association did not sign the current wage contract. It was signed by the 14 regional groups that make up the association. Lewis said he would meet with the regional groups, but not with the association.

Lewis had called the conference to start negotiations on a new contract to replace the one which will expire June 3. This was the first time in the coal industry's collective bargaining history that the parties failed to organize. Lewis has not yet announced his contract demands. They are expected to include a general wage increase, shorter work week, increased payments to the union welfare and retirement fund, and stricter enforcement of safety regulations.

Blind Car Washer Draws Attention

CLEVELAND, May 20 — People come from miles around to watch Forrest Hill, 30-year-old blind Negro, perform his work as a car washer.

Harry Johnson, his boss at a gasoline station at Washington boulevard and Lee rd., says Hill is "top" as a washer.

"His speed is just average, but the result is perfect," Johnson declared. He never misses a spot. When he has finished a job on a car it is really done. He is so good that a lot of people wait around until he can get to their cars.

Hill lost his sight two years ago when the optic nerves in both eyes were severed in an automobile accident.

He tries to make up for his lack of sight by his sensitive fingers. He goes over each car twice with a hose and his fingers tell him if he has missed a spot.

Sentenced On Accident

COLUMBUS, May 20 — Glen W. Cheatwood, Jr., 22, driver of a car in which three were killed when it struck a bridge, was sentenced to a one-to-20 year term in Mansfield reformatory on a manslaughter charge yesterday.

Stassen-Dewey Race Closes In Oregon

PORTLAND, Ore., May 20—Oregon's bitterly fought Republican primary campaign drew to an acrimonious close today—last of the presidential primary trials before next month's nominating convention.

Gov. Thomas E. Dewey of New York and Harold E. Stassen of Minnesota, who for three weeks have made Oregon the nation's foremost presidential battleground, brought their campaigns home at a gallop.

Stassen publicly charged an "eastern combination of Taft-Dewey forces" was spending \$250,000 in Oregon to stem the Stassen election tide which started in Nebraska and Wisconsin.

The New York governor retorted that this represented "reckless and flagrantly untruthful statements," and "desperate, irresponsible, eleventh-hour tactics."

His campaign expenses, Dewey said, "are not a tiny fraction of the ridiculous sum he mentions, and he knows it."

The Minnesotan's reference to a supposed join-up of Dewey and Senator Robert A. Taft of Ohio was labeled "unfounded and false."

More than 300,000 Republicans are registered to vote in tomorrow's polls—and the total registration of around 630,000 is the highest in Oregon's history.

Restaurant Group Elects

COLUMBUS, May 20—Directors of the Ohio State Restaurant association selected Ralph B. Smith, Toledo, president yesterday. Smith, general manager of Grace E. Smith Co., will fill the unexpired term of Walter H. Highland of Chillicothe, who resigned because of ill health.

FOUGHT AND WON 1031 BATTLES

Commodus Lucius Aelius Aurelius was Emperor of Rome from 161 to 192. Yes, he actually fought and won 1031 battles, and was so proud of his gladiatorial record that he commanded the world to worship him as Hercules. Alas he met his death at the hands of a wrestler named Narcissus who strangled him.

WALLACE WOULD TALK WITH STALIN

SAN DIEGO, Calif., May 20—If it would help the cause of peace, Henry A. Wallace would visit Premier Stalin.

Replying to a question from the audience at his speech here last night, the third party presidential candidate declared:

"If I was confident that by going to Moscow and talking to Stalin the cause of peace would be forwarded, I certainly would go."

Disputing a State department view that it cannot enter negotiations on world issues with Russia, he cited Article 33 of the United Nations charter.

The article provides that "parties to any dispute which threatens strife or endangers the peace of the world shall first of all seek solution by negotiations."

"I wonder," said Wallace, "if Secretary Marshall is fully aware of Article 33?"

Charged With Murder

COLUMBUS, May 20—An affidavit charging Homer Jack Dean, 37, with the murder of Elmo C. Rice was filed yesterday by Rice's widow, Christine. FELLER HURLS TO FIFTH WIN; HAS EXCELLENT NIGHT

Misses One-Hitter By A Hair As Athletics Lose 6 To 1

CLEVELAND, May 20—Bob Feller, pitcher and author, threw the book at the Philadelphia Athletics last night.

Feller's new tome is titled, "How to Pitch," so the Cleveland Indians' fireballer proceeded to give the pesky Athletics a practical review of its contents by twirling a three-hit 6 to 1 victory.

Bob had a one-hit shutout until the ninth and faced only 25 batters in the first eight innings, only one more than par for the course.

Up to that final round, 33,871 customers talked of the 10 one-hitters and the two no-hitters Feller has pitched in the past. And they remarked that if it had not been for Buddy Rosar's infield single in the third, they might be witnessing a historic occasion—the third no-hitter.

The Athletics routed Feller in the fourth inning at Philadelphia 12 days ago.

Rosar's single in the third was a hard grounder which Keitner knocked down. He retrieved it and threw to first, but his peg hit the dirt.

Bob missed his one-hitter and shutout in the ninth when Pete Spier singled and scored on Eddie Joost's double.

Feller's triumph last night gave him five wins and two losses for the season.

The victory was the second straight over the Athletics and gave the pace setting Indians a half game lead over the pesky Mackmen.

The Tribesmen picked up one run in the third inning on a single by Jim Hegan, a sacrifice and a single by Thurman Tucker. The Indians then blasted starter Bill Dietrich off the mound with a five-run uprising in the fifth.

Scoring Lull Again

DETROIT, May 20—The scoring lull that has marked the past month of American Bowling Congress tournament competition returned in full force last night as seven shifts of teams and individual entries failed to threaten the leaders.

Best score of the evening was a 270 series rolled by Kamm's Korner bar of Cleveland.

Mackmen Pace Cooled By Tribe's Star; Tigers Win

By JACK HAND
(Associated Press Sports Writer)

Bob Feller and his Cleveland Tribe have cooled off Connie Mack's Athletics and wrested the actual American league lead from Philadelphia.

By a mathematical freak, the Indians slipped into first place Tuesday night when they really trailed the A's by a half game. No longer is there any freak about it. Feller took care of that.

The fireballing righthander, who was the only American leaguer to win 20 games last season hung up his fifth victory last night by trim-

ming Philadelphia, 6-1, with three hits.

Feller's brilliant pitching permitted the Tribe to sweep the series from the A's. They moved on to Detroit in first place.

Last night's crowd of 33,871 saw Feller retire the side in order in seven of the nine innings while the home club routed Bill Dietrich in a five-run fifth.

Hal Newhouser got back on the win path after being knocked out five straight times when he started four of the Tigers' six double plays.

Vic Mertz broke up a 1-1 game when he homered off Ellis Kinder with two on in the last of the ninth.

The New York Yankees finally got a route-going job from Lefty Ed Lopat, ex-White Soxer, who allowed 15 hits in taking an 8-4 verdict over Fred Sanford and the St. Louis Browns.

Pitcher Early Wynn helped Washington out of trouble with his bat. Coming in as a pinchhitter he singled home two runs that started the Senators to a 4-1 nod over Chicago. Walt Masterson benefited by the blow off Joe Haynes.

There were some high shenanigans at Ebbets field, where the St. Louis Cardinals thumped Brooklyn 14-7, before a night crowd of 32,608. It lasted for three hours and 38 minutes and consumed five of the Brooks' seven able pitchers.

Clyde King, who replaced Starter Rex Barney, caught the loss and the win went to Ted Wilks, the third Card chucker.

While the Dodgers were losing their fourth in a row at home, the Phils were coming from behind to shade Chicago, 2-1.

The New York Giants took advantage of another fine pitching job by Larry Janson, who curved the ball past Cincinnati for a 5-0 victory. Whitey Lockman and Bill Rigney hit homers for the Giants.

Boston uncovered a new rookie, Vern Bickford, who may have an important bearing on the race. Bickford, making his first start, limited Pittsburgh to five hits in a 4-1 victory.

Stan Musial, Cards—Led St. Louis to 14-7 win with perfect night, combining Dodger pitchers for triple, double and three singles. He also walked once.

Vern Bickford, Braves—Made first start of season a brilliant five-hit winning job against Pittsburgh, 4-1.

HAMILTON, HOGAN SHARE LEAD IN PGA EARLY PLAY

Qualifying Rounds Have Golf's Best Shooting Sub-Par Games

(By Associated Press)

ST. LOUIS, May 20—Two former champions, Bob Hamilton and Little Ben Hogan, shared the lead with five-under-par 66's at the start of today's second and final 18 holes of qualifying play in the 39th Professional Golfers association tournament.

Sure putting and accurate approaches to the greens of the 6,467 yard Norwood Hills country club put the pair in the lead.

Hamilton, 1944 titlist, turned in a 25 putt job.

Hogan, of Hershey, Pa., who won the crown in 1946, used only 29 putts. Long putts accounted for three of his five birdies.

Gene Sarazen of Germantown, N. Y., and former masters champion Herman Keiser of Akron, O., each needed only 30 putts for 67's.

Burning a measly 29 putts for the day were Ed (Porky) Oliver, Kenmore, Wash., and Sammy Sneed, the White Sulphur Springs, W. Va., slammer, who shared 68's with Jimmie Demaret, Ojai, Calif., and Pete Cooper, Ponte Vedra, Fla.

Big Jim Ferrier, the defending champion, who didn't have to qualify, stroked through a 36-34-70 round just to get the "feel of the course."

All told, 25 of the 133 starters yesterday bettered or equalled regulation figures for the tournament stretch.

A qualifying score of about 150 appeared to be the order for the 63 players who will join Ferrier in match play Friday for the top \$3,500 prize. The final match of 36 holes is scheduled for next Tuesday.

COPE ANNOUNCES 17 - GAME CARD, WITH 7 AT HOME

Book Alliance, E. Liverpool For 2-Game Series; Drop Dayton, Toledo

A 17-game basketball schedule, featured mainly by the return of the age-old Alliance-Salem rivalry after a year's layoff, was announced today for Salem High's 1948-49 basketball team by Faculty Manager Fred E. Cope.

The new schedule includes seven games at the home gym and 10 away, two of the "away" games being carded at Youngstown South field house and actually Salem home games.

The schedule, besides the Alliance addition for a home and home exchange, contains only two other changes. Two traveling teams scheduled here last season, Toledo Macomber and Dayton Fairview, were not included on the new card.

Other than that the terms on the schedule did not change. Salem's renewal with Alliance comes as excellent news to fans who were sadly disappointed by the lack of the old rivalry last season.

The Aviators, due to have a new cage coach by next season, will entertain Salem Jan. 11 and a return game will be played here on Feb. 12.

Salem meets Youngstown Rayen and East Liverpool at the Youngstown South fieldhouse, the Liverpool game being the only attraction there on Jan. 6, while the Rayen game will go as a part of a doubleheader.

Salem opens with Lisbon, at Lisbon, on Tuesday Dec. 7, and closes Feb. 18.

The complete schedule:
Tues., Dec. 7—Lisbon, there.
Fri., Dec. 10—Wellsville, here.
Fri., Dec. 17—Columbiana, there.
Mon., Dec. 20—Steubenville, there.
Tues., Dec. 28—Alumni, here.
Thurs., Jan. 6—E. Liverpool at South fieldhouse (Salem's home game).
Sat., Jan. 8—Rayen, here.
Tues., Jan. 11—Alliance, there.
Fri., Jan. 14—Warren, there.
Fri., Jan. 21—Girard, here.
Tues., Jan. 25—Yo. Rayen at fieldhouse (Part of doubleheader).
Fri., Jan. 28—E. Liverpool, there.
Fri., Feb. 4—E. Palestine, there.
Sat., Feb. 6—Yo. Chaney, here.
Sat., Feb. 11—Steubenville, here.
Sat., Feb. 12—Alliance, here.
Fri., Feb. 18—Sebring, there.
